Remarks

A one-of-a-kind tropical lakefront retreat, designed by architect Adonay Bergamashi, incorporates natural wood and stone to create open spaces while maintaining maximum privacy. This two story home features glass walls facing both the front and the back of the property that draw the eye to the tranquil lake setting. Stunning 11 foot high ceilings in the living spaces bring the beautiful sunsets and sunrises indoors. Glassed-in terraces throughout the home provide a unique interplay with light and shadows combining to make the home a living environment instead of a static 4 walled box. An infinity pool, Wolf gas range, wood burning fireplace, lakeside deck and loft space, make this a truly unique offering.
